Two Brothers of Cuban

President Are Captured—Santiago De Cuba, Feb. 18.—When liberal forces took possession of the sugar mill at Palma Soriano, owned by President Menocal, today, they captured two brothers of the president. The Menocal brothers will be brought here for safe keeping.

Washington, Feb. 17.—A close watch on the situation created in Cuba by the insurrection of the liberals was continued by the State department today, but no further steps were decided on and official reports indicated no real development either in the plans of the rebels or those of the government. The rebels still hold Santiago and Camaguey and minor successes in small towns and in the country near by were reported. The government troops, it was said, were moving steadily towards the Havana districts and reports from the occupied indicated that President Menocal's call for volunteers was being answered by many of the better class.

Inter-Community Debates Will Be Staged by Board

The first of a series of inter-community center debates will be staged on Thursday evening, March 8, by the recreation board.

Kellom center will meet Miller Park center on this evening in a dual debate, to be staged at the two centers. The subject decided upon Saturday evening at a meeting of the two teams, is "Resolved, That the United States Should Adopt Compulsory Military Service." Each center will defend the affirmative at its own center, while the visitors in each case will have the negative.

While the Kellom team is composed of youngsters, they have no fear of the outcome, though their rivals will be composed of two principals and an alternate.

The Miller Park squad, from which two teams will be chosen by Ed D. Black, director of the center, consists of Miss Gladys Isom, Miss Margaret Mohler, Earl Davis, Art Taylor, Howard Wilson, Edward Peets, Joseph Wirtz and Robert Peterson.

The Kellom squad, which is coached by Director I. Rees, includes Fred White, Michael Cohn, Harry Mandelson, Nathan Gen, Jacob Berovic, Harry Adelson, Meyer Greenberg and Jake Fleishman.

Chairman Hummel of the recreation board believes that the inter-community debates will prove a successful feature of the board's work, and because of their educational value, is anxious to push this new department.

SHERIFF MAKES RAID ON SOUTH SIDE BAR

Cunningham's Place Visited by Deputies, and Four Men Are Taken.

ONE OTHER "WATER HAUL"

Sheriff Clark, shortly after he took office, announced that he had clamped the lid on tight in Douglas county outside of the city limits of Omaha. He also said that the lid would be double-riveted and kept that way.

Someone whispered in the sheriff's car Saturday that thirsty individuals were removing the dust from their guzzles in a couple of places in his domain on the South Side. So the former street car man and a couple of his demon deputies took a spin down to the outskirts of the Magic City and returned to the county jail about 10 o'clock with four dejected-looking men in tow.

Sheriff Clark booked them for loitering in the county bastle, declaring that they had tried to pry off a corner of his lid at a beerfest in what is known as Cunningham's place at Forty-sixth and West Q street. Noah Vance was charged with essaying the role of bartender. The following men, according to the sheriff, were wetting their whistles with intoxicating liquors: B. C. Elledge of Ralston, John Smith, a farmer, and Rex Pearl, 4711 E street.

The other rumored "bright spot" on the South Side the sheriff found to be dark and deserted. Satisfied that no other oases existed on this chilly

One Wants Reventlow Placed in Restraint, Another Calls It Murder.

CALLED SHEER MADNESS

Berne, Switzerland, Feb. 18.—Three Budapest newspapers condemn submarine warfare. The Pesti Naplo attacks Count von Reventlow as the principal exponent of submarine warfare and demands that he be placed in restraint. The socialist organ Nepsava attacks Admiral von Tirpitz and demands a cessation of what it calls "murder at sea."

The Pesti-Hirlap publishes expressions from three members of the Chamber of Deputies who discussed submarine warfare. One of them is quoted as saying: "We made the whole world turn against us," and another, "All American countries are joining our enemies. This is sheer madness." Count Karolyi, leader of the Hungarian independent party, the newspaper, adds, said: "I regret deeply the phase of the war into which we entered with the declaration of submarine warfare."
